

Stained Glass News

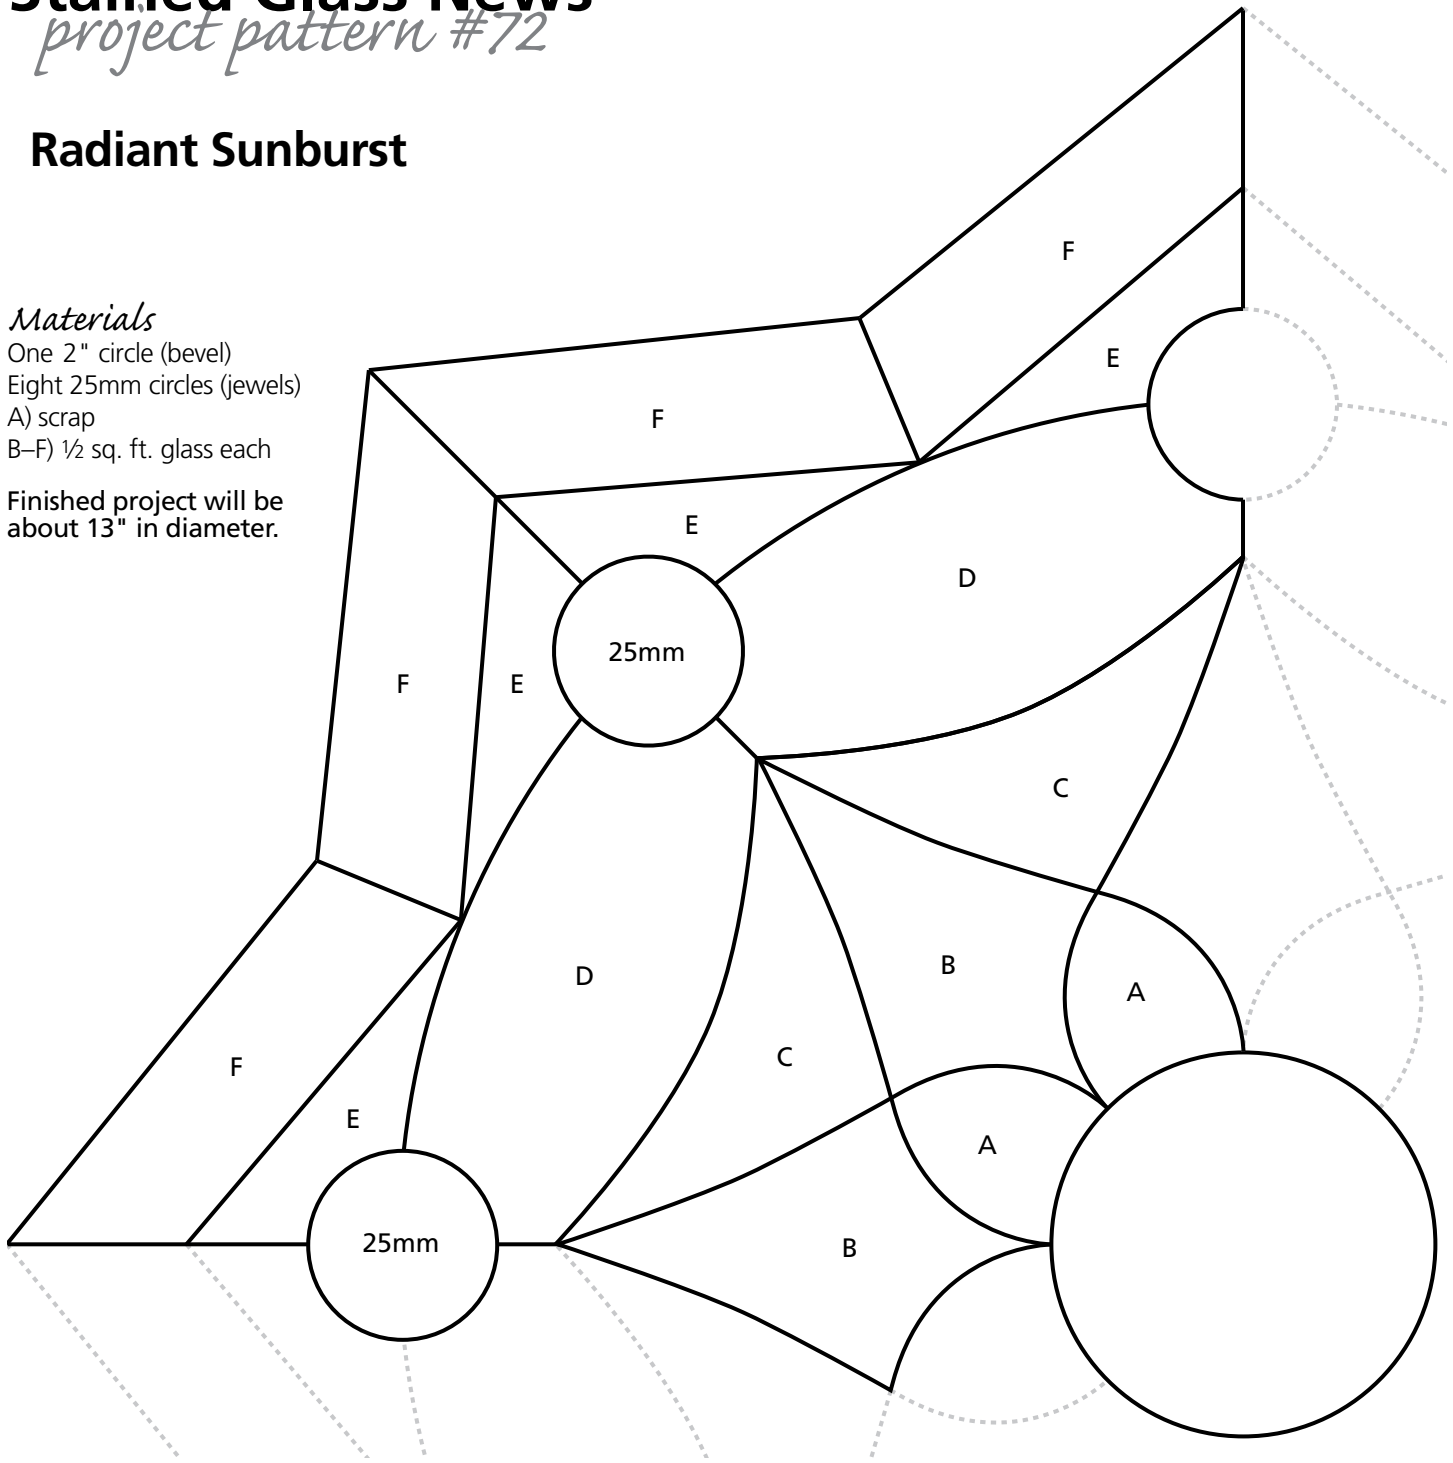

project pattern #72

Radiant Sunburst

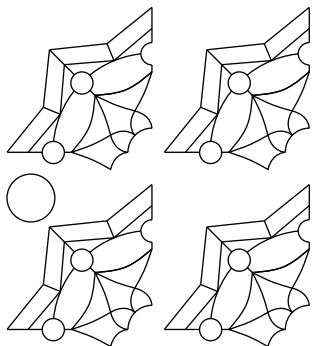

Materials

One 2" circle (bevel)
Eight 25mm circles (jewels)
A) scrap
B-F) 1/2 sq. ft. glass each

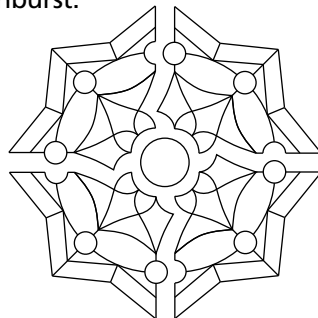

Finished project will be about 13" in diameter.

Cut 4 of each pattern piece (except the 2" circle).

Align all the pieces and solder them together to create a sunburst.
