## Project Pattern Issue #66

### Holly Panel

#### Materials

borders, background, holly leaves: 1/2 square foot each  
berries: scrap  
corners: 4 1"x1" square bevels

The holly leaves and berries are overlays.  
Build the background panel first, then solder  
the holly leaves and berries to the panel where  
they touch the borders and middle break line.  
Center lines of leaves are created with wire.
